## **Report on** **Excursion Tour Report**

### **Introduction:**

First of all, we are very much gratified and extend our sincere thanks and immense pleasure for our respected Hon'ble Principal Dr. G. N. Jadhao for granted the permission for **One Day Excursion tour at Amba-Barwa Sanctuary**. Mr. Wakode, RFO, Amba-Barwa Forest Area giving permission to visit Amba-Barwa Sanctuary. The excursion tour was organised by Department of Botany, Shri Shivaji Arts, Commerce & Science College, Motala Dist.-Buldana (M.S.) on dated 07 October 2023 (Saturday).

An excursion is a trip by a group of people, in this case for educational purposes. As a teaching format, it provides alternative learning strategies for students, adding variety that is beneficial for both students and teachers.

### **Aim and Objectives:**

- Excursion is a tour to a place away from their normal environment by a group of people.
- The tour is usually to observe education, non-experimental research or to provide learners with experiences outside their daily activities, such as camping with teachers and their classmates.
- Excursions allow the students to have new experiences and observe new things that are not available at college.

### **Description:**

Department of Botany organized an educational study tour on 8<sup>th</sup> October 2023, Saturday, in association with Department of Zoology. This educational tour was organized to Amba-Barwa Sanctuary under the guidance of G. N. Jadhav. This tour organised in Wildlife Week' to aware students about this week. The organization of the said tour is for the purpose of wildlife week, students should have in-depth study about plants and animals and it is necessary to conserve the environment and wildlife. Most of the students of B.Sc. Part I, II and III were actively participated in tour. First of all, we visited Nagar Parishad School, Adarsh School at Jalgaon Jamod and felicitate to Headmaster Mr. R. p. theng for award of Adarsh Teacher Award. The students interacted with the students of this school. The disciplined students of that school and the scenic surroundings were going to overwhelm.

After this, the we visited to Krishi Vigyan kendra, Jalgaon Jamod, where the students were introduced to various plants and plants including Azolla culture, vermicompost production and poultry farm and goat farm and also visited to Soil testing Laboratory. After showing the students, the various types of water plants and aquatic animals in the Ambabarwa Sanctuary, insects and endangered species i.e. endangered species, various animals such as tiger, leopard, nilgai, deer, bear, besan, etc. Mr. Solanke, gives information of placed the footprints of various animals in the butterfly park and put up information boards about them.

After that, the students enjoyed the natural environment of Jatashankar, a waterfall surrounded by hills on all sides, and the students collected water samples from various places. Lastly we visited to Wari-Hanuman Dam. It is special for his location. We also visited Warihanuman Temple. Atlast we return to our Journey. Thanks.

**Report on - Excursion Tour**

Organization of educational study tour on 8th October 2023, Saturday, in association with Department of Botany and Department of Zoology, local Shri Shivaji Arts and Commerce Science College Motala District Buldhana. An educational trip was organized to Ambabarwa Sanctuary under the guidance of College Principal Dr. GN Jadhav. The organization of the said trip is for the purpose of wildlife week, students should have in-depth study about plants and animals and it is necessary to conserve the environment and wildlife. Sc part one, two and three students participated. First of all, the principal of Nagar Parishad School, Adarsh School at Jalgaon Jamod and the Principal of Adarsh Teacher Awardee R.P. The students interacted with the students of Theng's school. The disciplined students of that school and the scenic surroundings were going to overwhelm. After this, the students were further introduced to the students at the Central Science Center, Jalgaon Jamod, where the students were introduced to various plants and animals in Azola culture, vermicompost production, poultry farm and goat farm. After showing the students, the various types of water plants and aquatic animals in the Ambabarwa Sanctuary, insects and endangered species i.e. endangered species, various animals such as tiger, leopard, barasingha, nilgai, deer, bear, besan, etc. Mr. Solanke, the information forest ranger, placed the footprints of various animals in the butterfly park and put up information boards about them. After that, the students enjoyed the natural environment of Jatashankar, a waterfall surrounded by hills on all sides, and the students collected water samples from various places. And with the help of insect nets, students collected different types of insects for demonstration. In such a natural environment, the enthusiasm of the students and the participation of the professors as well as the guidance of the students were organized to make the students interested in the wild life and how to conserve them.

**Subject:** Regarding the grant of permission to visit your APMC Buldhana for B.A.I  
Year Economics Students.

Respected Sir,

As Prescribed newly introduce CBCS pattern in Syllabus by Sant Gadge Baba Amravati University, Amravati that it is mandatory to organize study tour. In order to improve the skill of the students in agricultural context, they want to visit nearest APMC & inform the students about how the transactions are going on. With this purpose the Department of Economics has decided to organise one day study tour at APMC Buldhana on 07.11.2023.

So, you are hereby requested to guide us and give your valuable time for the above-mentioned subject.

Thanking you.
