In the workshop, wet colors were prepared to complement the natural environment using leaves and flowers of plants such as Palas, Beetroot, Turmeric Spinach and flower etc.

The color prepared in the workshop was gifted to all the dignitaries present in workshop. Prof. Dr Arun Gaware, chief guest of workshop expressed the opinion that using eco-friendly colors is the need of the time considering the side effects of artificial colors. Principal Dr. Gajanan Jadhav appealed to use environmentally friendly colors on this occasion. The coordinator of the workshop is Dr. Pravin Theng, Head of Department of Botany and Organizing Secretary Prof. Shubham Sakhare and non-teaching staff and students were present in many numbers.
